Supplemental Amendment

This amendment is being filed prior to any official action being rendered in this application in order to present the requested claim protection in the proper form.

The original claims were those taken from a PCT application and in certain circumstances contain improper claim dependency.

A change in the power of attorney in the application was filed on December 2, 2005 and it is hereby specifically requested that all correspondence in the case be sent to:

Jack Shore, Esq.
Much Shelist Freed Denenberg Ament & Rubenstein, P.C.
191 North Wacker Drive, Suite 1800
Chicago, IL 60606

Please update the records of the Commissioner of Patents Office to reflect the current Attorney Docket No. 0005282.0002.
